

A Message From the Board of Directors

Hello Pine Ridge! With residents in mind, we have all been hard at work making sure we restore our community. We are working on everything from the pool, the gate, the courts, a new crew, the roads and everything in between. Along the way, we have had residents who have continuously supported us and volunteered their time and efforts. With that being said, we would like to thank Mr. Donald Walters and his crew from Walters' Electric for generously donating the work to fix the electrical for the pool. The pool is set to open today May 29th from 11am-7pm! Also, if you are volunteering this weekend to clean up Pine Ridge, there is a free day pass to the pool included regardless of current standing.

We want to thank everyone for their patience and cooperation with the main hill repairs in April and hopefully we can start doing more pothole repairs within the community. Residents are welcome to email us any potholes on their street at info@pineridgecommunity.net. This will help us narrow down the areas that need attention the most.

Exciting things are happening in PRCA!

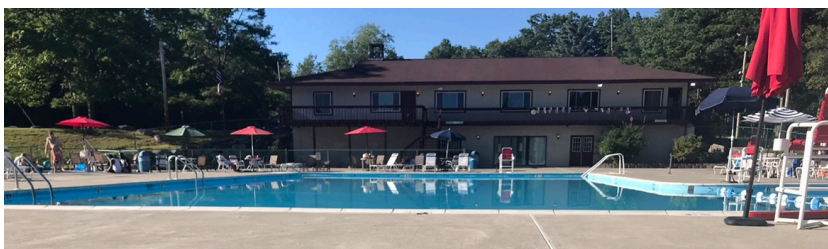

- The electric is hooked up at the pool, the painting of the pool is complete, and we started filling it up!
- Be on the lookout for the new rock garden being donated.
- We completed a CPR/AED training class on May 21.
- The clubhouse is being repaired.
- More and more residents are volunteering to help out with many things!

We are on our way, Pine Ridge, so be proud!

Lastly, two board seats will open in September, so if you are interested in running for a seat, please send your information in. We would love your help in restoring Pine Ridge!

The Pool is Officially Open!!
