A Message From the Board of Directors

Hello Pine Ridge! It has been a busy spring and there is no shortage of work to be done! As most of you know the pool is up and running we want to again thank Walters Electric and our maintenance department for focusing their time to get that ready for us. Pick Up Pine Ridge, initiated by Kenlynn Dickison, was a success! Special thanks to all the volunteers who came out to be a part of it.

We are confident this will be the first of many events as the community continues to come together. The committees are coming along, and this month the Recreation Committee is ready to go!

We can see our dues hard at work by checking out the pool, courts being fixed, along with the work being done on the clubhouse. We have hired new maintenance staff, pool attendants, as well as a new manager.

On **June 19th at 10:00am** during the board meeting, residents can come out to the clubhouse parking lot to meet the new manager. We are excited to introduce him and excited to see residents join us! If you are not able to make it to the clubhouse, residents can still live stream the meeting. We hope to see you there!
