Happy New Year Everyone! I am hoping for great things for PRCA in 2022.

“What the new year brings depends a lot on what we bring to this year.” This is a quote that has been on my mind a lot lately. I have so many ideas for this community and I would like to see so many activities, events, and clubs started here. All of that depends on what we bring to this year. Our community is filled with so many strong and brilliant people. If you are willing to volunteer a small amount of time, please join us in making this community a special place to live. We need more committees members and volunteers for those committees. I would love to see residents that have not volunteered before or whom it has been awhile since they volunteered, join now and help give us a fresh perspective. Please contact the office at

570-588-9185 or info@pineridgecommunity.net.

For all of those residents that have volunteered your time and energy to make this a better community than it was the year before, THANK YOU! You have made a difference to lives in Pine Ridge Community Association. I am looking forward to seeing what we can all accomplish this coming year.

Wishing you all a happy, healthy, and successful year in 2022!

Public Safety

Happy new year everyone! Let's make 2022 a great year for everyone.

We'd like to remind our residents school is back in session the roadways are actively being utilized by our students walking home. Please continue assist us during bus stop hours by using your turn signals during drop off/ pick up hours and obeying the bus stop parking area rules. Place a card or slip of paper in your child's backpack with a contact number in case of emergency, in any event that we may need to contact a parent or guardian.

We must be extremely vigilant. At the bus stop, we must remind our residents and guests when school buses are in operation and when students are getting on and off the school buses all vehicles are to remain parked until all the children have boarded or exited the school buses, we encourage all of our parents to utilize their cellphone video or dashcam videos to capture license plates and vehicle descriptions and forward them to the public safety department. You can remain anonymous upon identifying the vehicle, we could issue a citation to the violators. Public safety will also be on the lookout for aggressive drivers, speeding and stop sign violators on our roadways utilizing radar and video surveillance.

CAUTION

We have reports of a fox and a coyote within Pine Ridge community. Upon investigating, these 2 animals are exhibiting signs of Mange. This is a skin condition that causes animals to lose their fur. It is prevalent in our area.

If you see either of these animals contact Public safety at 570-588-6962 or 570-269-8842.

Public Safety Continues

We must also be aware of our furry residents that are on walks please utilize a flashlight or reflective clothing or harness while on the roadways to ensure we are seen by the motorists traveling on the Roadways. Snow is on its way to our community, so please make sure that your vehicles are off the easement and safely parked in your driveways. Slow down while driving on community roads obey traffic signs and be patient with your fellow neighbors.

Let's all do our part to make our community a safer place to live. "You see something say something" public safety cell phone number 570-269-8842.
